

Army Readiness Assessment Program

WHO: Battalion commanders (and above)

WHAT: Online unit safety climate survey followed by improvement actions

WHY: Your unit climate is a strong indicator of the risk level or potential for accidents in your formation; this program provides diagnosis and recommended improvements . . . wouldn't you like to know if your unit is headed for a serious mishap? Wouldn't you like to prevent it?

WHEN: Within 90 days of assuming command

TIME REQ'D: 12 min./member, 1 hr for commander, plus time for the COAs

HOW:

1. Enroll the unit: within 90 days of change of command, call 334.255.2643 (or 2947, 9362, 9394, 9577)
2. Unit members take online assessment
 - Totally anonymous
 - Easy & fast – about 10-12 min./person
3. Get results from a debrief – gives strengths, weaknesses, suggestions
 - Personalized, one-on-one from USACRC expert
 - Confidential
4. Back brief your boss & discuss plans for improvement
5. The address the issues in your unit
